

April 18, 2020

Dear Parents,

I pray this finds you and your family healthy. By now many of you are falling into a new routine. I hope the days and weeks are getting a little easier.

Right now, we are closed until further notice. We do continue to read licensing and public health dept. updates. We watch the school district guidelines as well. We want to open as soon as we can safely do so.

I realize this is difficult for many of you. You are trying to juggle work, school assignments, finances and a busy preschooler all at once. As a staff, we are praying for you.

This means there is no tuition due for April. We still have two weeks of March tuition credit that is due you. But we will wait to refund you in the hopes that we will come back this school year.

As with you, this is a stretching time for the preschool and staff. We appreciate your prayers as well.

Registration for Fall: As of right now, we will open registration for **Fall 2020**. We will be emailing registration forms soon. We owe you money, so there will be some options for registration fees.

Summer Camp: Depending on when schools are reopened will determine if a summer program is feasible. If possible, we would love to have it, even if a shorter session.

Stay Connected: Continue to email us and use the Facebook private group and Remind texting to stay in touch. We will continue to send ideas and videos your way.

Zoom: We will continue to have Zoom class meetings on the same schedule.

Rainbow Class: 1pm Tuesdays

Butterfly Class: 1 pm Wednesdays

Sunshine Class: 1 pm Thursdays

The children enjoy seeing their teachers and friends. I will send out invites with the ID and passcode. Next week I'm trying to set up recurring meetings, so, after this week, the ID can password should be the same.

Graduation????: I think a lot of schools, parents and students are wondering what in the world they are going to do. We want to make this special even if different. I will be sending an email to Rainbow class about having a zoom meeting to discuss. So, think about ideas we can discuss.

Parents, how can we help, YOU? We would love your feedback! What can we do in this environment to be of service to you? Do you need more activities to do with children? Would

you like a parent meeting to see other adult faces? Please let us know!!! We are here for your children, but we are also here for **YOU**.

If you have questions, please let us know. We do not see you every day. But we are here for you and we think of you often. Every. Single. Day.

God Bless you!

With my love and prayers,

Christie

May the LORD bless you
