

Peninsula Community Church Virtual Preschool Fall 2020

Goal:

- To provide families support in teaching and guiding their children while they are home.
- To provide a developmentally appropriate, play-based, Christian preschool experience *virtually* for children 2-5 years old.
- To help children connect with others and build friendships with teachers and friends outside their home.
- To provide school routine so that the transition back to in-person school might be smoother.

We will provide

Prerecorded Circle Times

- 2 virtual pre-recorded circle times per week with our very own Ms. Gina!!
- A recorded music lesson with Ms. Brenda beginning mid-September
- Circle time and music will be 10-15 minutes, which is generally age appropriate
- Circle times will be available on Facebook in a new private group just for our Virtual Friends

Curriculum similar to our in-person curriculum:

- Zoo-phonics (introduce letter and sound)
- Share time
- Story with weekly or biweekly theme
- Songs/rhymes
- Curriculum will be adjusted as we go to make sure it is challenging and age appropriate.
